was formerly enslaved
by.
After the dragon returns,
he is conflicted between
killing a former

https://syncsketch.com/sketch/JO8rYjW3Q2G1/

He is a kobold soldier. He fought against the dragon that previously enslaved him. When the dragon returns, he is conflicted about harming a former comrade.

Unfortunately due to the amount of time I spent drawing I forgot to keep everything on separate layers for the AfterEffects assignment, but I was able to somewhat familiarize myself with the program. I think that the final result came out okay but I think I could do better in AfterEffects.
